## SIGN UP IN THE LOBBY OR ON OUR WEBSITE!

Once again, Candlelight is partnering with Silver Lake Mall to provide a safe, fun and wholesome place for the children of our community to celebrate Halloween. We offer games, prizes and specialty booths. TWO WAYS TO HELP:

1. **VOLUNTEERS:** Volunteer for several areas such as Greeters, Cookie Decorating, Face Painting, Balloon Shaping (with training), and lots of games!
2. **DONATIONS:** We need candy and lots of it! Buckets will be available in the lobby for donated candy. Also, we will have a bulletin board in the lobby for information on small items needed for the outreach.

Christian recording artist Scott Riggan will join us once again for a free concert at Candlelight. Both a worship pastor and a singer-songwriter, Scott is best known for his #1 hit song "I Love You Lord." To learn more about his ministry and to hear his music, visit scottriggan.info.

UNDERSTANDING THE POSTMODERN AGE - **The Fuel Project - Mark Fairley**

**October 8TH: "Understanding God's Character"** To understand our age, we first need to understand God's character. God is not a wrathful monster, as is often portrayed. Neither is He a timid softie, as is often portrayed. He is the reference point of "goodness" by which we can make sense of our world.

**October 15TH: "The Two Pits"** The Bible tells us to "speak the truth in love." Most have decided to speak the truth without any love or to love without giving any truth. Both of these options lead into one of two pits.

**October 22nd: "All You Need is Love"** In 1967 our culture decided that truth was hate-speech and that all we needed to create a perfect society was love. From that point on, we became spiritually and morally confused, and our hatred of truth led us deep into the "Left Pit."

**October 29th & November 5th: "Homosexuality"** In this part, we explore changing cultural attitudes toward homosexuality, gay marriage, the absence of the "gay gene", where homosexuality comes from, the harm it does, and why our culture has stopped caring about the consequences.
