

~ Pastor Kent Gearner is teaching today ~

Kent Gearner joined Candlelight in January of 2021 as the Assisting Pastor. As the son of a pastor, Kent has grown up in and around church all his life. In 2002, being called by the Lord, he surrendered his life for church ministry. Kent holds a degree from Liberty University in Theology and Apologetics and has a passion for helping Christians become grounded in their faith. He is a teacher at heart, as well as a musician, playing various instruments. As a Texan, he is a lover of good Mexican food and a medium-rare steak, or anything fried for that matter! On his days off, you can catch him slicing a golf ball into the wrong fairway, recording music, or treasure hunting through God's Word.
