

Pastor Shahram Hadian (Guest Speaker)

Pastor Shahram Hadian is the founder of the Truth in Love Ministry, and is a sought-after speaker who travels around North America addressing critical issues facing us as believers and as Americans.

A Christian pastor and former Muslim, Shahram was born in Iran, came to America to escape an oppressive Islamic regime and had a powerful conversion to Christianity in 1999. Shahram's unique background includes experience as a pastor, police officer, teacher, coach, and servant leader in his community. He was a candidate for the governor of WA State in 2012.

In the past several years, he has spoken to hundreds of groups around North America, including legislators, law enforcement, civic groups, churches and concerned citizens on matters of national security and defending the Constitution and rule of law.

Shahram's timely presentations have been produced and shared globally on numerous DVDs and thousands of radio and TV programs.

Shahram passionately fights to:

- Safeguard religious liberty and the authority of the Word of God
- Defend 1st & 2nd Amendment rights as foundational to all other God-given rights
- Champion the sanctity of life and marriage
- Protect our national security from enemies foreign and domestic
- Expose the growing deception of interfaith dialogue
- Guard our Constitution and rule of law from foreign law (including oppressive Sharia)
- Restore our Constitutional Republic
- Support the nation of Israel both politically and biblically

Shahram proclaims that we need a courageous generation to rise up in defense of liberty and our God-given rights. America desperately needs revival back to her Judeo-Christian roots, and needs patriot, courageous pastors and Americans that will stand in the gap for our nation.

Shahram lives in the Knoxville, Tennessee area with his beautiful wife and 6 children.

A few of Shahram's statements from his past experiences:

"I witnessed my birth country lose its freedoms, and now I've come to America and this is my home, and I'm seeing America lose her freedoms. I cannot be silent and do nothing. It is time that we stand for the truth and founding principles that have made the United States a beacon of light to the world."

"I am all for legal immigration, but after waiting over 16 years to become a proud U.S. Citizen, I am deeply concerned with the impact of illegal immigration and lawlessness in this country."
