Thomas Neighbors

CCF Children's Pastor

Biography

Thomas Neighbors joined the Candlelight staff in 2023 and was ordained as Children's Pastor in 2025. Before stepping into ministry, Thomas ran his own business, producing and selling music online—a background he now draws upon to lead worship for both the Children's Ministry and Young Adults Fellowship.

Growing up in a Christian home, Thomas first encountered faith personally during his teenage years. It was through volunteering in the children's department that he felt a clear calling

from the Lord to serve in ministry. His love for kids, paired with his passion for worship, has led him to disciple and teach the Bible to children.

Thomas is passionate about creating a loving, faith-filled environment where young hearts can encounter God, learn His Word, and develop a personal relationship with Jesus Christ.
