C4 & CULTURAL APOLOGETICS: WHAT ARE WE DOING & WHY?

Doesn't the Bible teach us to study His Word, witness to the lost, be robust in prayer, and be DOERS as well as hearers (i.e. **apply** the Word to everything in our lives - including our duty as Christian citizens?) We are also always to be ready to answer anyone who asks us for the reason for the hope that is in us (apologetics.)

While we anxiously look for His soon coming, we are to occupy until then - acting as the salt and light of a damaged and darkening world. If we fail to act and participate in shaping our culture and politics - history shows that a secular, evil ideology is waiting to fill the vacuum.

We believe Candlelight offers the most comprehensive, in depth and doctrinally sound Bible teaching to be found anywhere. C4 is our way of complimenting that teaching by exposing our family to the Bible's CORE foundational wisdom in a **short** period of time. Apologetics (defending our faith) is a big part of C4 so we re-enforce the basics with our Cultural Apologetics class. We expound on topics in greater depth there as well as bring up specific cultural and timely ones so we can discuss and address them Biblically.

PROPHECY

By one account, nearly 27% of the Bible is prophetic (1 in 4 verses!) The amount of prophecy in the Bible is one of the things that make it unique among religious books. There is absolutely no emphasis on predictive prophecy in the Qu'ran or the Hindu Vedas, for example. In contrast, the Bible repeatedly points to fulfilled prophecy as direct proof that it is God who speaks. Given God's omniscience, it should come as no surprise that the Bible contains so many clear predictions or that those predictions are **literally fulfilled**: "I am God, and there is no other; **I am God, and there is none like me, declaring the end from the beginning and from ancient times things not yet done**" (Isaiah 46:9–10, ESV).

THE WAR ON TRUTH

We live in a culture where people genuinely believe there are over 300 genders; where gay marriage is legal; traditional values are discriminated against; transgender men win awards for being women; children as young as six-years-old are being given gender reassignment surgery; radical Islam terrorises and is pandered to in the media; Christians meanwhile live peacefully and are reviled; abortion is celebrated; students are given 'safe spaces' and 'trigger warnings' to allow them to avoid challenging worldviews; parts of the church have fallen away; 52-year-old men identify as 6-year-old girls; and the truth is criminalised as 'hate speech.' How did people get so confused? How did life get so absurd? In 'The War On Truth', we explore through the lens of the Bible how extreme Liberalism has pulled Western culture into a pit of confusion, examine where this path will eventually take us, and reassert the truths that this generation doesn't want to hear.
