MISSIONS

STEVE & BRENDA HINES

RIPE FOR HARVEST WORLD OUTREACH

We serve in Visakhapatnam (Vizag), India. Our goal is to share the Good News with the lost and to help the poor, especially our brothers and sisters in Christ who are suffering. We accomplish this by personally telling people about our Savior and also by sponsoring pastors who go out into their communities to reach people for Christ. These pastors also help us to help the poor believers, especially the widows. We are currently helping several widows. We also help leper families, families with AIDS, and many children in the Kids Home. And we drill wells for poor communities (currently these wells have brought clean water to over 34,000 people). We also lead teams of Americans who come to help us do these activities as well as build churches, conduct medical camps, and share the Good News, and distribute clothing to the poor. And finally, after 7 years of planning, raising funds, buying the land, and constructing the funding, the new Kids Home is complete and it's beautiful! 120 churches and families donated to make this dream a reality. THE GIDEONS INTERNATIONAL ALLEN NAUGLE, REPRESENTATIVE

The Gideons International is the result of a meeting between two men who wished to band commercial travelers together for evangelism. What began in 1908 as an Association of Christian businessmen placing bibles in hotel rooms has evolved into an expanding mission to provide scriptures to all people in nearly every facet of life. Today, they have taken more than 2 billion scriptures in more than 95 languages to 200 countries, territories, and possessions across the globe. They exist as an advocate for the lost, to bring them the saving knowledge of the Word through not only placing and distributing scriptures but also through personal witnessing and by associating together for service. “Go therefore and make disciples of all nations...”Matthew 28:19

BENEVOLENCE MINISTRIES

“If a brother or sister is naked and destitute of daily food, and one of you says to them, ‘Depart in peace, be warmed and filled,’ but you do not give them the things which are needed for the body, what does it profit?” *James 2:15-16* We serve a loving, kind and generous God. He is seen through Christians best by what we do and the way in which it is done.

Everyone faces financial hardships from time to time. Job loss, divorce or medical bills can cause tremendous financial and emotional strain. The Benevolence Ministry is designed to help needy, hurting people; those in need of food, clothing, shelter, and emergency financial assistance in the congregation and community.

MINISTRIES & OUTREACH

GREETING MINISTRY & HOST GREETING MINISTRY & HOST MINISTRY

Greeters are the hearts, eyes, and hands of Candlelight. The purpose of the Greeting Ministry is to extend a personal welcome to as many people as possible who enter the church, and to answer any questions. A smile can go a long way! Greeters are the first person a member or visitor comes in contact with when attending a worship service at Candlelight. Also, greeters will assist an unstable walker from the parking lot to the church, help others overloaded with packages, and assist anyone in need of a wheelchair.

In addition to our greeters at the door, our vision is to have hosts positioned in the lobby before and after service to answer questions, provide assistance, direct our visitors and members, and take the time for fellowship. Our goal is to offer a personal welcome to everyone. If you care about people and feel led to volunteer in these two ministries, please see Cindy or Denise on Sunday at the front door. *Leaders: Cindy Oberholtzer & Denise Merkley*

HOSPITALITY BAR ON SUNDAYS

MISSIONS

CALVARY CHAPEL TEL AVIV, ISRAEL STEPHEN & PATRICIA APPLE

We have many ministries in Israel, such as church planting in the largest cities, local bible study fellowship groups, discipleship, and leadership training. In addition, we minister to the poor, run a soup kitchen, give supplies to various types of medical outreaches, including survival kits, gas masks and war supplies, blankets, clothing, jackets, and care for the homeless and those in severe poverty. Our mission is to share God's love in all that we do as we also care for Israel's poorest. In living among the people of Israel for over a decade, we have found that caring for the poor is the key to reaching our Jewish brothers and sisters. It was taught specifically by the Lord in Matthew 25:31-46. It is also highly respected in Jewish society. Therefore, we combine the sharing of God's love in the Gospel of Jesus the Messiah with compassionate work with Israel's poorest. Using this "Sharing & Caring" approach we have seen a great acceptance among the Jewish people.

As a ministry: They give of their resources to help equip others. They link with other ministries instead of duplicating their efforts, and the staff at Good Seed are partner-supported, as missionaries. Good Seed has more than 60 translations (fully funded)! Good Seed provides books, DVDs, audiobooks, curriculum and visual aids worldwide. Candlelight holds workshops periodically throughout the year using Good Seed's curriculum. Website: www.goodseed.com

MISSIONS

BRAZIL MISSION, NEW TRIBES MISSION

BRIAN & RACHEL RICH

Brian & Rachel Rich are part of a new team of missionaries trying to reach the “Maki” tribal people. It will take years to learn the language, culture, and beliefs of the people, and then present the truth to them by teaching them the Bible in their own language. If a church is born, and there are new believers, the Riches want them to grow in their faith and develop church leaders so the church can function on its own. The Riches desire to see the church reach out to other villages in their language group, teaching God’s Word, sharing the gospel and discipling those who believe. In order to have a mature church, the believers need the Bible in their own language, so Bible translation will be one of the long-term tasks of the missionary team. They want the church to be run by indigenous leaders so that the work can continue long after the missionaries are gone.

Visit their website at www.etsnallyrich.weebly.com for support and more information.

CALVARY CHAPEL SOUTH MAUI FOOD BANK COLEEN RISVOLD

Candlelight has chosen to partner with Calvary Chapel South Maui to help feed the hungry on the Island. Many people vacation on Maui, and never see that there is a great spiritual need and tremendous economic poverty on the Island. In fact, over 20% of those living on Maui go to bed hungry every night. We felt it important to minister to the islanders and share the love of Jesus through the power of the Gospel. Website: <http://calvarymaui.org/>

MINISTRIES & OUTREACH

USHERS & SECURITY

Ushers play a dual role at Candlelight. Each arriving member or visitor is welcomed into the Sanctuary by an usher with a desire to assist in finding seats. Ushers and Security are trained to assist when necessary during the services to ensure that each individual who enters is safe and secure from all outside distractions, and every possible threat. Security at Candlelight provides complete protection, so the participants have a time of worship uninterrupted by outside sources. Special security measures are in place each time children are under the responsibility of Candlelight until they are transferred back to the parent, in all children ministry events.

Leader: Erick Koenig
