

August 2018 Vol.2

Keeping Up With The Williams-Ukraine

Family News

We spent the first of August down on the Texas coast visiting some old friends. We took the boys to swim at the beach and they enjoyed jumping the waves and playing in the sand. This August is especially memorable for our family because we celebrated two milestones this month. First, we celebrate 15 years of marriage on August 9 and then two days later we celebrated Henry's 13th birthday. So, we have a teenager in the house now (YAY). August was also busy because school and football started the week after we got back from the coast. Jim and I have enjoyed school starting back up because it has provided us with a little peace and quiet around the house which has helped us to get things done. Wyatt was excited because he won his first football game this month. We were blessed to have been able watch our niece Madison follow Jesus in believer's baptism this month.

Ministry News

August has been a very busy month for ministry as well. We have spoken at three different churches and have shared with many different friends about what God is doing in Ukraine and how he has called us to join him there as full-time missionaries. The Lord has also provided Jim with an opportunity to preach at one of the local churches at the end of August. We have been praying about when to leave for Ukraine and have recently received an answer. The missionaries that we will be working with in Ukraine called us and asked us to come at the end of September so that we can help then with an upcoming English camp in October. So, we have booked our flights for September 26. We have raised approximately 75% of our monthly financial goal and we still have several more speaking engagements scheduled for the coming weeks. We have stepped out in faith to leave at the end of September because we trust that God will provide the rest of our remaining support by the time we are in Ukraine.

Prayer Needs

Please keep the boys in your prayers as they play football that we don't have any injuries. We will be traveling to the coast again in September for another speaking engagement and are asking that you pray for safe travels and for God's provision. Please pray that we will raise the remaining 25% of our financial goal before we leave. Please keep our family in your prayers as they will be saying by to us in September.
